

BMW Alpine xDrive

The Ultimate
Driving Machine

August 2010

JOY LIKES THE COLD.

A RARE INVITATION TO DRIVE THE SOUTHERN HEMISPHERE PROVING GROUNDS.

This August, at a purpose-built facility high in the Southern Alps, a lucky few will experience the extreme road-holding capabilities of BMW xDrive – the world's fastest-reacting All Wheel Drive system.

Guided by BMW's international driver training instructors, you will discover first-hand just how much fun you can have driving on snow across the entire BMW X range – the new X1 and X5, the rugged X3, and the incomparable BMW X6.

Limited place numbers are available for this once in a lifetime opportunity to test your alpine driving skills, and perhaps the ultimate test of the Ultimate Driving Machine. Adrenaline rush guaranteed.

Your BMW Alpine xDrive package:

- Two nights accommodation at Millbrook Resort & Spa in a Villa Suite.
- Transfers from Millbrook Resort to the testing facility.
- Awards dinner.
- Commemorative gift.
- One full day of driving at the Southern Hemisphere Proving Grounds.
- Welcome function and briefing.
- All other meals, including two breakfasts and lunch.

Available dates:

11th, 12th & 14th August 2010.

Cost:

Flexible cost options available.
